HOW THESE FIGURES WERE MEASURED

Men's trail running and outdoor fitness weights are based on a half pair, size 9 pre-production sample.

All other men's weights are based on a full pair, size 9 pre-production sample.

Women's trail running and outdoor fitness weights are based on a half pair, size 7 pre-production sample.

All other women's weights are based on a full pair, size 7 pre-production sample.

Trail running and outdoor fitness stack heights are reported on a men's size 9 pre-production sample.
