THE BRAND

INFLUENCE & DESIGN ELEMENTS

NEIROMAI pronounced ni.ro.me means to dream, to yearn, to lust in ancient Greek.

Influenced by the reeded glass, the Doric order, Art Deco's era - Streamline Moderne-and a bit of the 1980s, these elements were meticulously crafted into sophisticated jewelry series.

PELAGIA CHRISTAKI

THE DESIGNER

Founded in 2022 in Athens, Greece by Pelagia Christaki, NEIROMAI was a profound desire for several years before its launch.

The designer has held head creative positions in eyewear and independent fashion brands for the last decade.

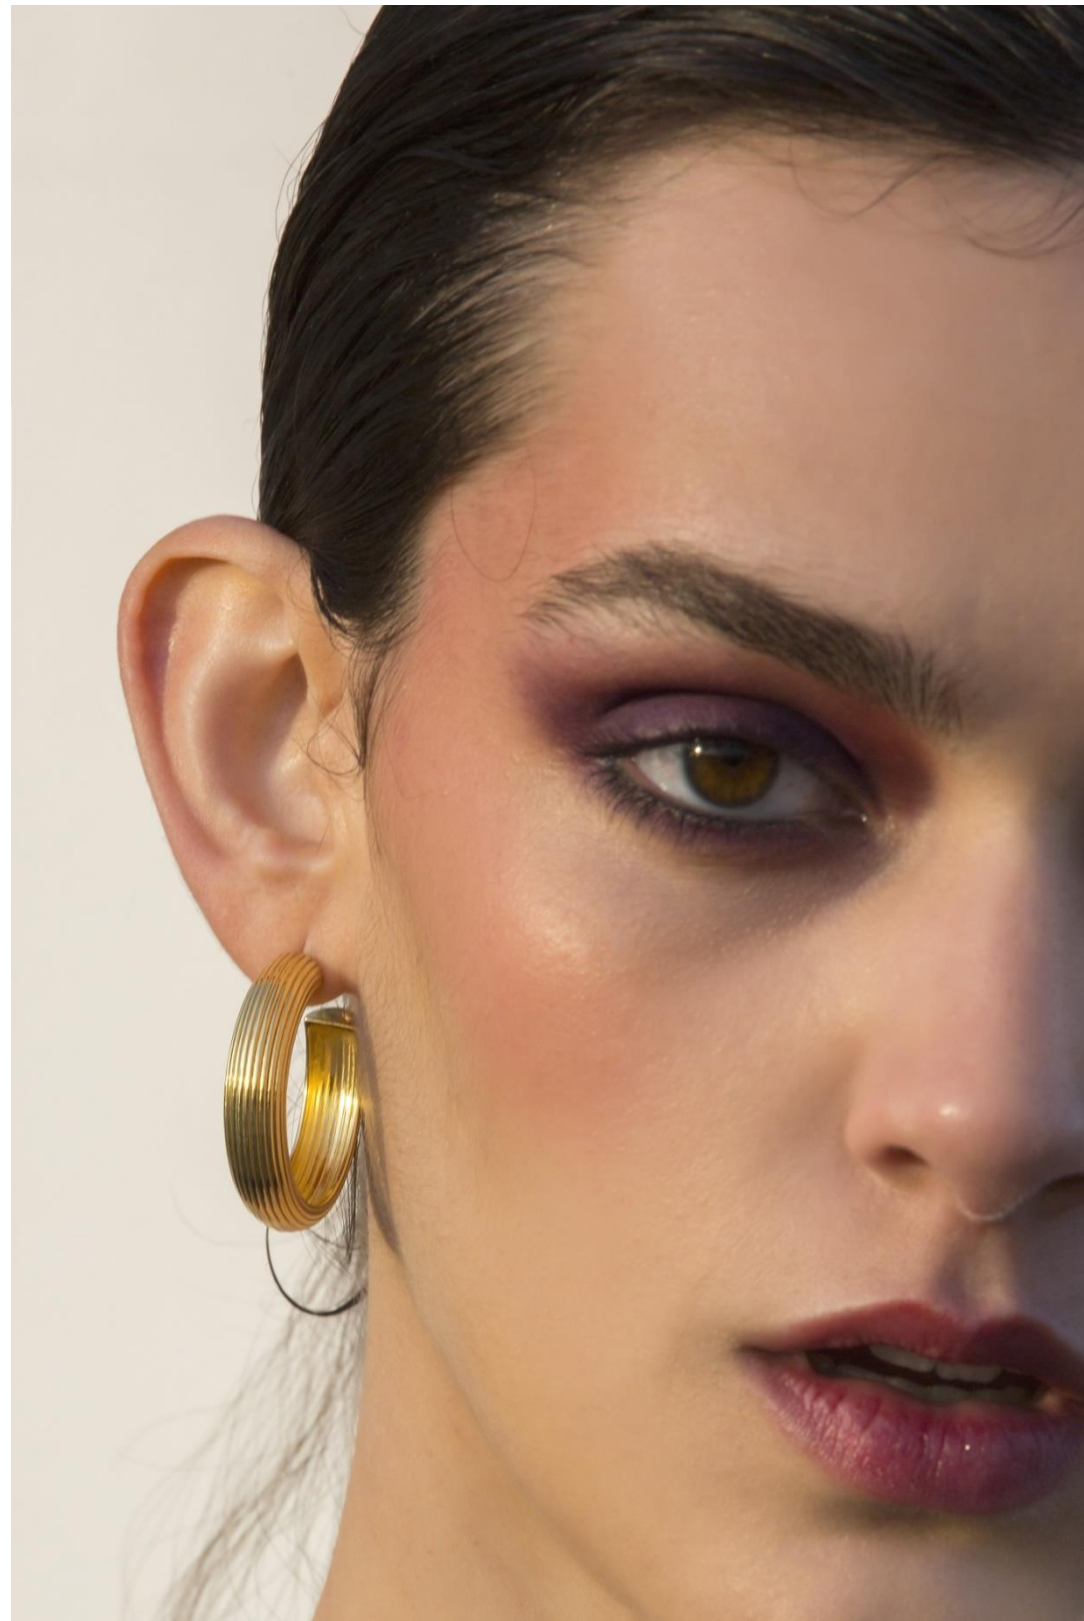

ATHENIAN CRAFTSMANSHIP & ARTISTRY

We exclusively partner with local Athenian jewelry workshops in the historic Commercial Triangle, a neighborhood famed for its silversmiths and goldsmiths.

Each piece reflects the rich heritage of Greek craftsmanship, blending tradition with timeless elegance.

MODERN DESIGN

STERLING SILVER 925

Our jewelry is handcrafted from 18ct Gold & Platinum plated 925 Sterling Silver, designed to endure and become a cherished part of the wearer's personal story.

DESIGN SERIES

RIPPLE EFFECT

NEIROMAI represents a fusion of historical significance and modern elegance.

NEIROMAI presents five different design series inspired by the ripples, reeds,

Every SERIES is a permanent category forming an individual expression. Over time new designs are added to the series evolving the core identity.

GAIA SHELL

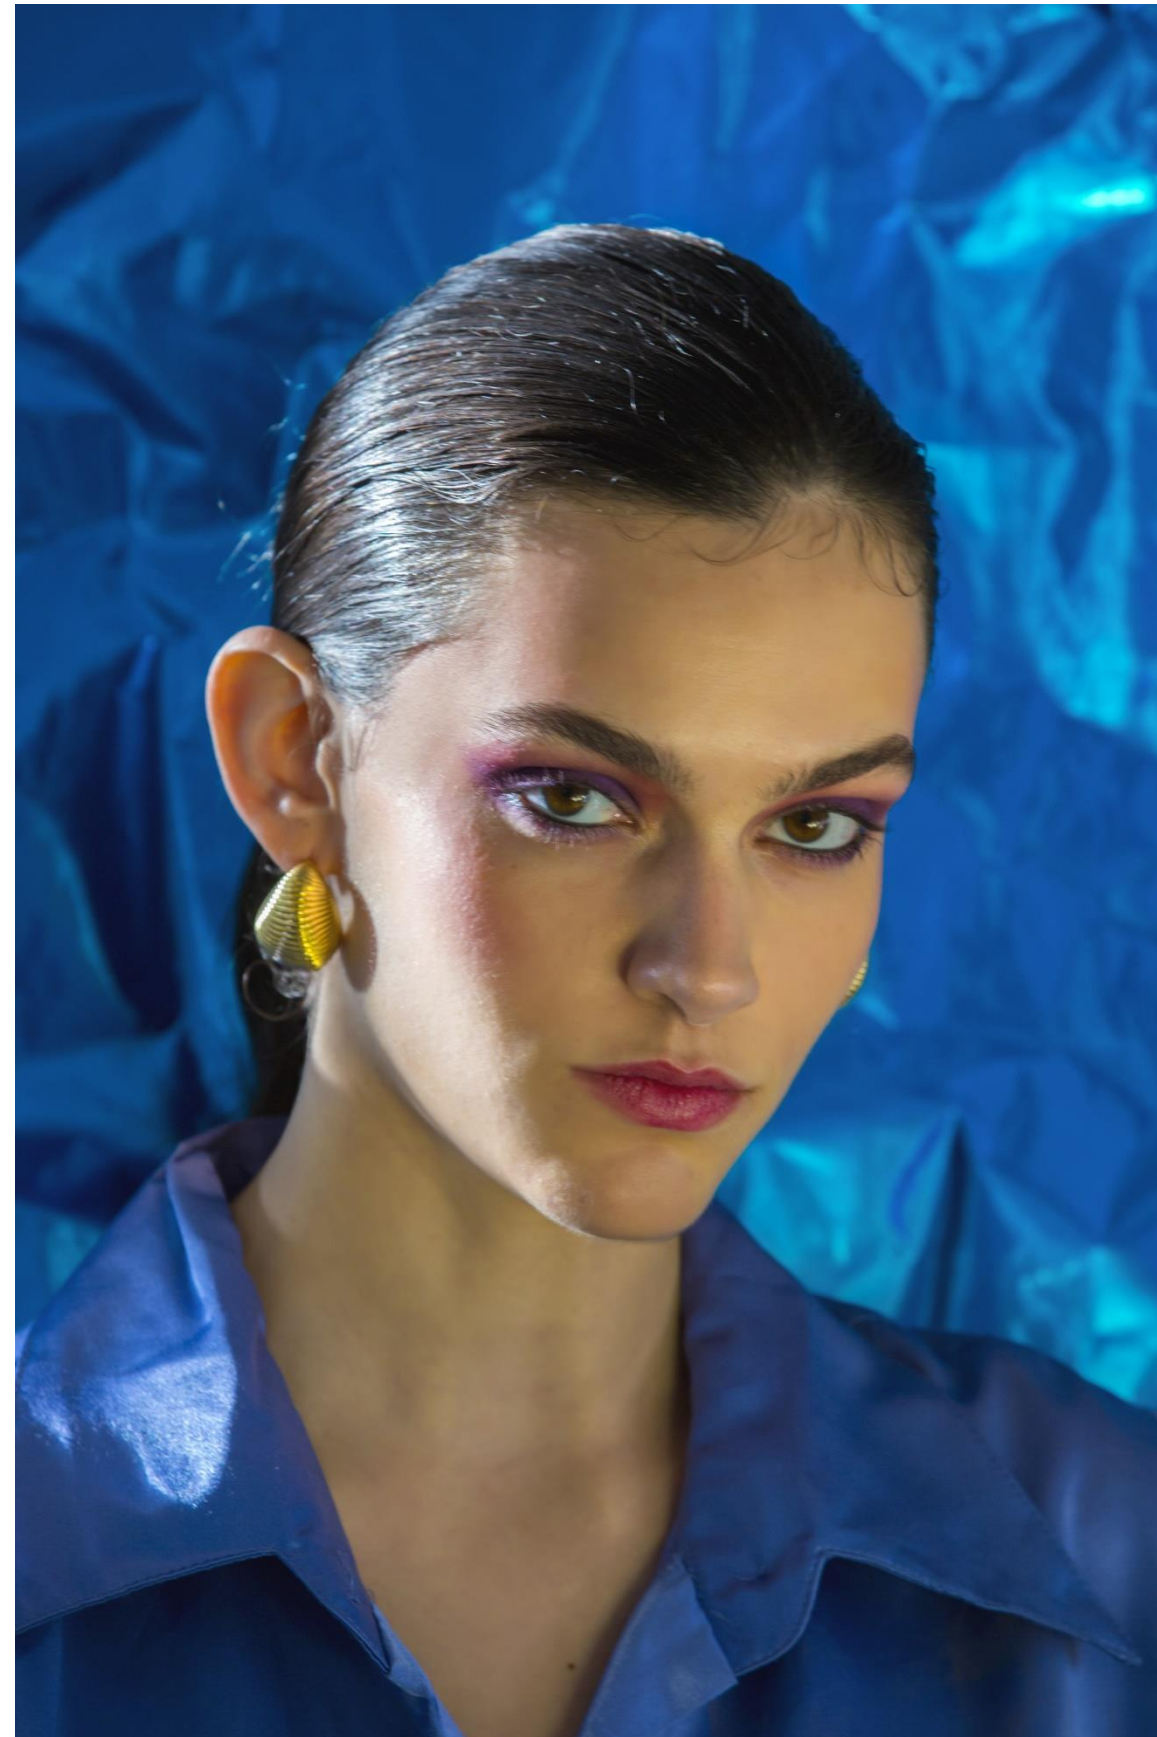

LOVE TUBES

RIBBON

KITE

MINIMALIST

GAIA SHELL

The GAIA SHELL series draws inspiration from the delicate and seamless way in which the two parts of a shell come together to form a unified whole.

A reflection of harmony in a bold design.

LOVE TUBES

LOVE TUBES designs are inspired by the shape coil, or “speira” and the 8 types of love in Ancient Greece. Combined with the rich history, this series create a unique and meaningful design theme. Each type of love represents a unique feeling.

Eros: Romantic, passionate love.

Philia: Deep friendship.

Agape: Unconditional love.

Storge: Familiar love, the love between parents & children.

Mania: Obsessive love.

Ludus: Playful, flirtatious love

Pragma: Enduring love

Philautia: Self-love

RIBBON SERIES

The RIBBON series combines the fluidity and elegance of fabric with the strength and stability of reeds, creating a contemporary vibe.

This fusion of softness and rigidity results in pieces that are both visually bold and modernly refined.

KITE SERIES

The kite symbolizes spiritual ascension and freedom, representing the soul's journey and boundless potential.

It also evokes cherished childhood memories, capturing the joy of adventure and the innocence of summer days.

In many cultures kite connects our spiritual aspirations with treasured moments of youth.

MINIMALIST

The MINIMALIST series elegantly blends historical and contemporary design elements.

Drawing inspiration from the vertical and Doric reeds of ancient Greek columns, it incorporates these timeless features into everyday versatile jewelry.

A harmonious balance between tradition and fashion.

PACKAGING

The black handmade box has a textured surface with the brand name "NEIROMAI" embossed a reflection of minimalism and sophistication.

Including a velvet cloth inside offering customers a way to both store and maintain the jewelry's shine.

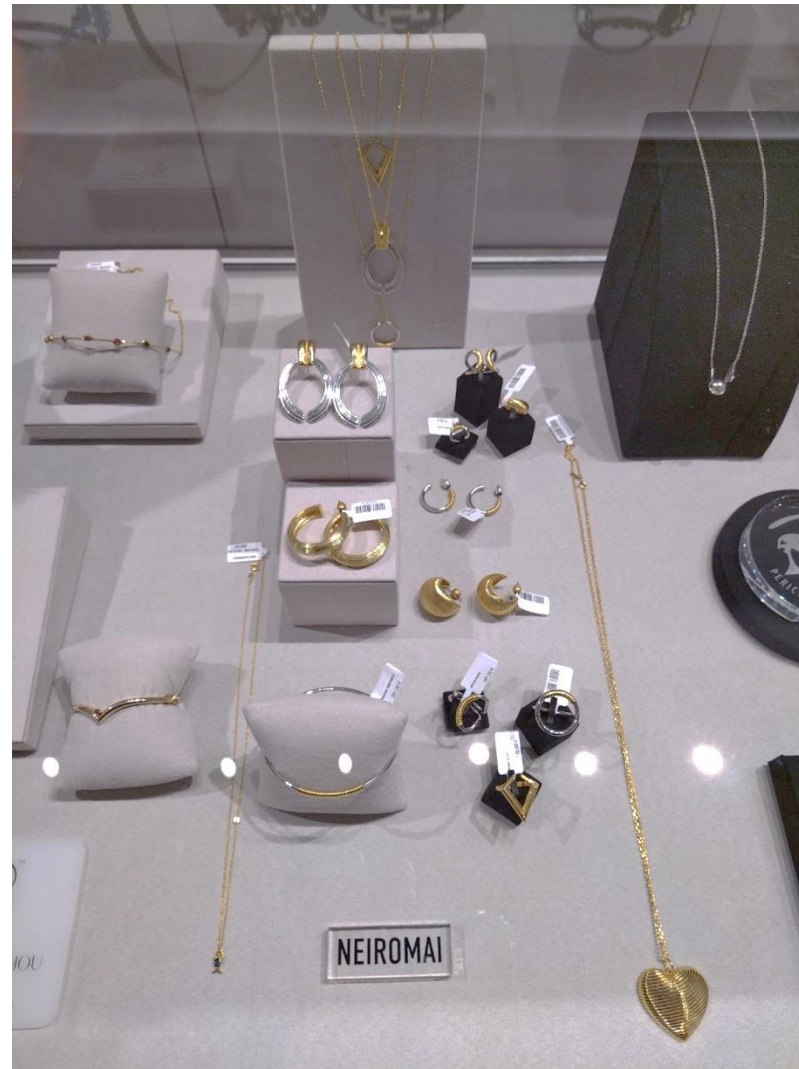

Velvet is an ideal material for polishing delicate surfaces, preventing scratches while gently buffing the metal to restore its original luster and enhancing the product's longevity but also reinforces the luxury aspect of the packaging.
