SEEBERGER – EST. 1890

FREEDOM BEGINS ON YOUR HEAD.

The freedom to leave the house.
But not your comfort zone.
To travel the world in your mind.
And take a stroll with your head in the clouds.

We are truly free!
Just like the new Fall/Winter Collection 2022/23.

Crafted from fresh ideas and the finest materials.
In warm autumn and cool winter shades.
At times, elegant, at others, fulminating.
Sometimes feminine, sometimes casual.
But always marked by dedication and attention to detail.

Fall is just around the corner. It comes calling and asks,
do you still have room for me?
On your head. In your heart.
What do you say?

Quality, composure & style never go out of fashion. On the contrary.
We believe they are becoming more and more important. We have
always used exclusively hand-picked materials for our collections in the
SEEBERGER hat factory. Whenever possible, 100 % natural fibre.
For a good feeling – on your head and in your gut.

And it* calls to you, "It all looks so beautiful from up here, such an amazing view.
This is the only way to live."

A glance in the mirror is enough – you head outdoors, to freedom.
"Who cares what other people say? Let's go dancing. You and me both.
Just relax, I've got you covered."

**Not merely headwear, but also a statement: the potty hat.*

Made of fine, soft pink fur felt. Created with love and care.
Warm, supple, and almost as beautiful as life itself.
An stylish and elegant symbol of freedom since the early 20th century.
Whether autumn wind or convertible. On your head.
And above all, inside it.
