**SHARP FOOTWEAR**

Q3 AUGUST 2022

**As ever, our sharp footwear looks to our subcultural heritage for inspiration.**

A brand new style for Q3, the Dawson is reminiscent of the suede shoes found on the dancefloors of subcultural Britain, and is available in low and mid versions. Designed with our signature crepe-effect outsole and Red Stewart Tartan in-sock, this is a style that is recognisably Fred Perry. With suede iterations of the Dawson, the mid-style also comes in Q3's signature fabric – rich cotton corduroy.

Q3 AUGUST 2022

**As ever, our sport footwear takes inspiration from what Fred wore on (and off) the court.**

You need a good pair of shoes to become a triple Wimbledon champion, so our tennis styles adopt the basics, but with fresh design details.

The result is contemporary, but authentic to our tennis heritage.

Our plimsolls are a bridge between life on and off the court. Inspired by the best-dressed man in tennis, these styles are influenced by Fred's sharp off-court styling. As ever, it's about the whole look, and the colour palette for our sport footwear continues to reference our mainline collections.
