Our fashion goes beyond the ephemeral. The numerous garments we design are ongoing evolutions of art and elegance. For me, the Signature collection is exemplary of this as every garment is thoughtfully crafted with the intention of having it become a woman's most beloved wardrobe treasure, accompanying her through joyous moments and celebrations, time after time.

This newest edition presents a plethora of show-stopping numbers to uplift one's soirée with refined fashion. Our most extensive Signature collection yet, it unfolds through novelty luxe fabrications such as lace jacquard, sequins, and organza. Discover dresses and separates in luscious layers of Lagoon, Nightfall, Rainforest, and Mulberry; sensational new silhouettes that epitomize power, poise, and presence; and an array of statement pieces that embody glamour and confidence.

Let this season's Signature pieces take part in the making of your most cherished and proudest moments.
