AW25 COLLECTION

AUTUMN/WINTER 25 COLLECTION
NORDIC NOMAD

This collection is inspired by the modern explorer who balances urban life with rugged nature. By day, the Nordic Nomad bikes to work, visits cafés, and attends cultural events; by weekend, they escape to nature for hiking, glamping, or skiing.

It's a lifestyle that blends style with practicality.

AW25 highlights outerwear and accessories that combine practicality for unpredictable weather with style, without compromising on quality. Made from durable, high-quality recycled fabrics with BlueSign certification, the pieces are both waterproof and breathable. The color palette features timeless, rich tones of black, navy, dark green, taupe, and beige.
