# MONACO 86

## 216551 - MONACO 86

**Quality:** MESH/SYNTHETIC SUEDE      **Sizes:** 36 - 47

Mesh & synthetc suede upper / Die-cut eva midsole /  
Rubber outsole / Moulded TPU Heel Stabilizer

**Recommended retail price**

**DKK** 499,95 / **SEK** 700,00 / **NOK** 750

**EUR** 64,95 / **GBP** 60 / **USD** 74.95 / **CHF** 75,00

Monaco 86 is blast from the past. The original Monaco runner was released back in 86 with the original design inspired by the famous Monaco racing grand prix. The archive revival includes the original panelling but updated with re-designed outsole and covered in soft synthetic suede with and engineered mesh. TPU print overlays and strong hummel branding on the quarter of the shoe. The tradional die-cut silhouette offers a contemporary look while payig tribute to our proud heritage.

# SUGARCANE EVA

Reach LX-E, contains at least 25% bio-based materials which are derived from sugar cane. Sugar cane is an important natural raw material that absorbs carbon as it grows and the parts of the plant which are not destined for food production are blended into traditional foam cushioning. By using REACH LX-E technology, hummel is reducing the use of normal EVA made from crude oil by minimum 25% for each pair.

 hummel
