Le Palais Royal

In the grand setting of a magnificent 19th-century palace, where towering columns rise toward the sky, we proudly present the Autumn & Winter Collection 2026. Delicate lace, shimmering sequins, and romantic flounces meet faux suede, heavy velvet, and tailored silhouettes in a collection inspired by bold glamour and modern sophistication.

Symphony of Champagne

See how gentle tones of Espresso Brown and Champagne flow into one another, while shimmering sequins catch the light and casting a soft, luminous glow. The meeting of faux suede, airy tulle, and sparkling details creates a look that feels both stunning and undeniably luxurious.
