AUTUMN / WINTER
2020

A woman with blonde hair, wearing a bright yellow knit beanie and a long, quilted yellow puffer coat, is walking on a stone-paved path. She is looking back over her shoulder with a smile. The path is made of large, rectangular stone tiles. To her left is a low, rough-hewn stone wall. To her right is a light-colored building with a wooden-framed glass door. The background shows more of the stone wall and the building.

Photos in this autumn / winter 2020 catalogue are taken in Finland's old capital city Turku.

Finland's oldest city Turku was founded in 1229. It's considered to be the city of art, history and culture.

Once again I'm in a hurry.
I need a coat for every occasion,
from morning until evening.

I promise to slow down...
tomorrow.

It all began on the Aura river.
Not only the story of this city,
but also our love story.

FLARE COLLECTION | AUTUMN / WINTER 2020

Quiet old city and faded
rust-colored paint on stone walls.
Autumn colours are my thing.
Here I can enjoy them anytime.

DIXI COAT | AUTUMN / WINTER 2020

It may be
bright city lights and
cold winter nights but
under my coat it's always warm.

It's effortless, casual
and comfortable,
just like me.
No words, just the feeling.
