A

LOOK

**Glasses that
make you
look sharp
– Danish design
with an edge!**

... in colours and shapes that match any outfit,
mood and personality.

Have A Look's collection of glasses is all about
making you look sharp!

Inspired by the latest trends of fashion and
interior design, paying close attention to
form and function, down to the detail, we invite
you to play with your personal style.

The Danish designer team behind Have A Look
celebrates diversity; that's why we
create quality glasses for everyone
at prices that make shopping fun!

Christina K. Schrøder, Founder of Have A Look

Why choose us?

Global company

We are a global company with dedicated agents and distributors.

We always strive to be in close dialogue with our customers.

Danish design

We have a great experience in design and lifestyle communication
and a good eye for fashion and trends!

Wide selection ...

... of glasses in cool colours and shapes.

High-quality

All our glasses have flexible hinges for a comfortable fit!

Eco-friendly

We work with respect for the environment. We use bio-based,
recycled and recyclable materials as much as possible.

Simple pricing

Same price for all reading glasses, sunglasses and sun readers.

Attractive start up packs

Choice of wooden table display and tray to match the needs
of each store.

Easy reorder

Minimum quantity for reorders is 24 pairs of glasses total
– mixing any style, colour and strength.
