

ENVISION DROP 03 2025

A woman with blonde hair tied back is sitting on a dark, square-tiled floor. She is leaning against a rough, grey concrete wall. She is wearing a light grey, possibly suede, motorcycle-style jacket over a dark t-shirt with a graphic. She is also wearing dark, cargo-style pants and black boots with yellow stitching. The lighting is dramatic, coming from the side, casting shadows on the wall and floor.

HUMBLE

by Sofie Bucka

Hi! My name is Sofie Bucka. I am a passionate 26 years old girl from Denmark, and I am the founder and heart behind HUMBLE by Sofie Bucka, established in 2019.

I have always had a huge passion for fashion, and what describes my taste is a casual, versatile style with a sporty touch, in a timeless way.

It is not by coincidence that HUMBLE was born with this specific name.

Authenticity, honesty, compassion, integrity and trust are all essential key words close to my heart, and it is a high priority to make the HUMBLE universe as responsible as possible with these values as fundamental elements.

Responsibility is many things, but first of all the HUMBLE styles are made of most possible responsible garments, created in timeless designs, produced from transparent, sustainable processes under CSR approved circumstances, packed in reused and sustainable emballage.

I support slow fashion, and I aim to design collections you can keep in your wardrobe and use together over and over again throughout the seasons.

ENVISION DROP 03 2025

ENVISION Collection. Bringing together sporty and modern elements with little bits of a humble rock'n roll. All fits for your timeless wardrobe, making it perfect for whether you're heading off to work, a casual lunch, your daily workout, going out, or staying in.

Personally, dressing in outfits like these I'm left feeling even more empowered, making my light shine a little brighter. A strong feeling I hope to share with you.

Nuances are earthy tones, making it easy to style and keep for years ahead.

xx Sofie
