

Autumn - Winter 2021

**UPDATECPH**  
copenhagen

———— Less is more ————

As always, the styles are simple and elegant.  
The looks are fresh and modern. We have put our  
time, heart and soul into finding the best products  
for you.

## — Luxury jewellery —

Our luxury jewellery designs are hand-finished and made from cool stainless steel. The designs reflect the themes running through our collections to make mixing and matching effortless with superb attention to details – enjoy!

## Be stylish

Be stylishly festive and express what you love about the Autumn/Winter season. Our luxury collection is simple and elegant, and the look is fresh and modern. Transform your personal look to be more radiating – enjoy!

## Be seen

Be seen and follow your heart in what you wear and do with our vivid must-haves. The amazing glow puts the spotlight on you and brings the element of surprise to any look – enjoy!

## How curious

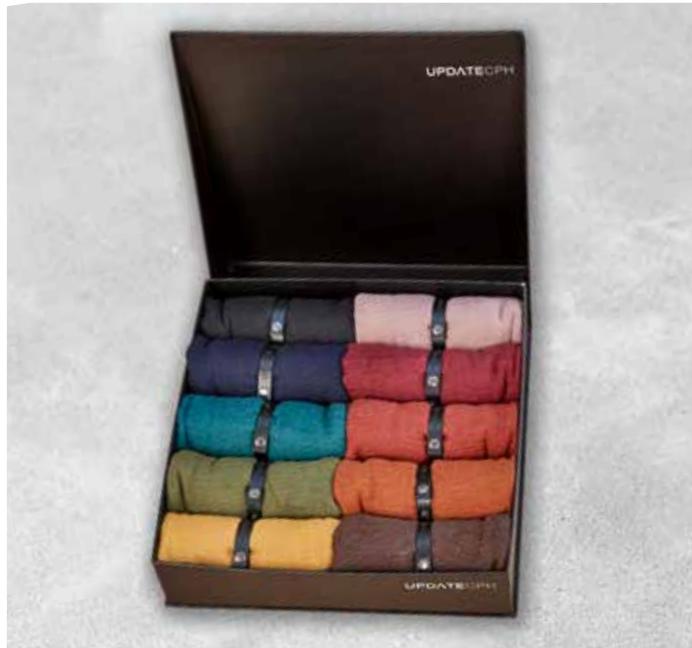

Discover how nature curiously sparked some of our Autumn/Winter ideas and see the final designs they became. Always keeping in mind the versatile life and core values of quality-conscious women across the globe. With your feminine purchase power, you can set the pace and treat yourself or a friend – enjoy!

———— Elegant & simple ————

Update your wardrobe with our functional scarves, that are still elegant and simple and transform your personal look to a more radiating fresh and modern look.

## Colours

We love colours. Highly fashionable vibrant colours.  
Our palette is rich and has a highly luxurious feel. You can easily  
get creative and mix & match with your existing wardrobe.
