NÜMPH

MAIN SPRING
2022

We are NÜMPH; driven by the will and desire to create a whimsical and colorful brand, which adds that extra dimension to your wardrobe.

Those items that embrace your personality and put you in the spotlight when you make an entrance.

By playing with shapes, details and hand-drawn prints, we create the NÜMPH collections. We design clothes for the optimistic, strong and independent girl, who draws attention by means of her own personal style.

We live out the NÜMPH energy by pouring our hearts and passion into the products, the brand and everything in between, like all nymphs, who are strong as giants and vulnerable as angels, because their hearts are in every move they make.

NÜMPH embraces our dreams, personalities and creativity. The whimsical and stringent. The feminine and cool. The vulnerable and strong. We dare to live out our dreams and ideas, because we trust our own creativity, competences and the synergy between us.
