The EASY FIT SUIT: Adaptive. Innovative. Sustainable.

This new one-piece in timeless black features an adaptable silhouette and next-generation sustainable fabric that redefines comfort and consciousness in swimwear. Crafted with Q-CYCLE® yarn, the Easy Fit Suit sets a new standard in circular design. This innovative polyamide fibre is made, transforming end-of-life tyres into pyrolysis oil, which serves as raw material for this high-performance yarn. Q-CYCLE delivers the qualities of virgin polyamide without environmental compromise.

Performance:

Lightweight, breathable, and quick-drying, the Q-CYCLE fabric offers outstanding moisture management.

Sustainability:

Made from 100% recycled raw materials, the yarn is GRS-certified, RCS-certified, ISCC PLUS compliant and OEKO-TEX® Standard 100 Class I approved. The process significantly lowers CO2 emissions and conserves fossil resources, supporting a circular economy in the textile industry.

Comfort & Flexibility:

Designed for an adaptive fit, the suit gently contours the body without restriction. With excellent stretch and recovery, it ensures lasting comfort and freedom of movement across sizes S–XL.

Easy to wear. Easy on the planet. Effortlessly LIDEA.
