INWEAR AUTUMN 2026 Interlude: The Balance Of Contrast

A fashion campaign photograph featuring three models of diverse backgrounds standing against a light, neutral background. The model on the left is a woman with long brown hair, wearing a plaid blazer over a dark skirt and black tights. The middle model is a woman with curly brown hair, wearing a dark, textured button-down shirt and dark trousers. The model on the right is a man with short dark hair, wearing a light-colored ribbed sweater and plaid trousers. Large, bold, black Japanese characters 'インウェア' (InWear) are overlaid across the center of the image.

INWEAR AUTUMN 2026

Interlude: The Balance Of Contrast

InWear

The autumn 2026 collection draws inspiration from Japan's dual spirit — where innovation meets tradition, and precision coexists with poetry. Clean lines, sculptural silhouettes, and tactile layers define a mindful approach to modern dressing. Each piece reflects a sense of balance, designed for the woman who moves with intention through both motion and stillness.

This season, sharp tailoring meets soft movement as structured silhouettes are paired with relaxed proportions. The collection explores contrast as harmony — where structure meets softness, and modern design meets lasting style. A confident, versatile wardrobe designed to be worn now and for seasons to come.
