Mille- Designer and owner of Mille W NORDISK DESIGN

Danish Design Produced in Sweden

MILLE W NORDISK DESIGN is a brand with focus in Swedish made sustainable interior. I'm born and raised in Denmark and my products are designed and manufactured in Kullavik just south of Gothenburg. The consistent line of my products is the recycled GRS®-certified leather, which is made from leather scraps from the fashion industry. The recycled leather has the highest quality consisting of 80% leather and 20% natural rubber. We only use certified material choices in the products. The textile products are OEKO-TEX certified and the wood products are made of FSC-certified wood, the glass in the candle lanterns consists of recycled glass.
