

For SS22 we continued our cooperation with photographer Emily Abay. We moved the shoot to an even more tropical location, at Rottnest Island, off the coast of western Australia.

Originally shooting film, and growing up with Helmut Newton as her hero, Emily's love for light and composition is reflected in the images.

Young, energetic and with a female perspective, we are very happy with the result. We hope you enjoy the energy and these beautiful images.

//Hans Erik Syversen

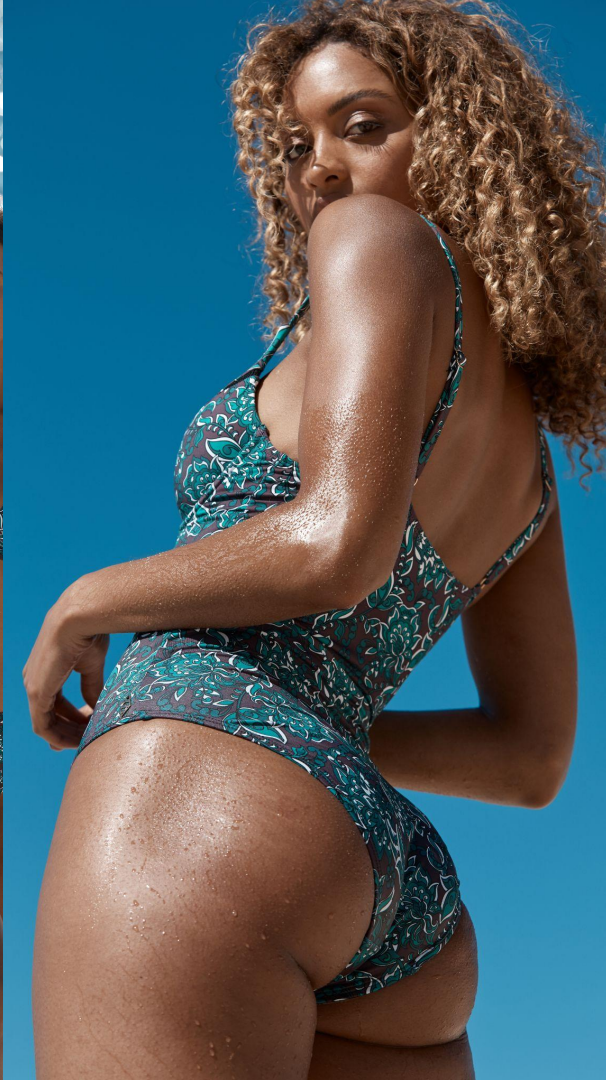

Garden

With careful detailing, this complex and luxurious series really catches your attention. With deep and earthy tones this floral print brings the perfect luxe look.

Garnet

Modern, clean and elegant. A deep and soulful color.

Amber

These shimmering looks are inspired by the sun itself. You deserve to shine!

Blazing

Blazing hot retro sports. Blazing is inspired by the athletic look with a high cut waist from the early 90's.

Classic

Our Classic shorts in a nautic blue and white.

Artisan

Inspired by mosaics
and artisan patterns
from the area
around Marrakech

Adore

Effortless designs
and a dreamy
texture enhances
your striking
silhouette. A
bohemian and
soulful feel.

Tech Boardshorts

New for SS22.
By popular demand we
added a longer,
and more technical
shorts for men.
More pockets, and super
thin and light fabric.
Welded seams for a
clean look and extra
comfort
All day summer use.

Tech Classic

A new more technical take
on our classic short.

Basic Rib

We are adding three more colors to our basic rib series.

BLACK

LAVENDER

GOLD LUREX

Diva

A luxurious jacquard fabric with inspiration from the wild. The golden detailing and flattering draping give an exclusive look.
