SOCIAL RESPONSIBILITY

P.J. Salvage® Women's Support Initiative

Why a women's support initiative? Gender Equality is one of the key UNSDG's (United Nations Sustainable Development Goals).

PJ Salvage partners with Women Empowered Factories in order to support gender equality and to empower all women & girls.

Women Empowered Factory:

At least 51 percent owned, controlled, or managed by a woman or women. This means women must have majority operational control, a demonstrated management of day-to-day operations, or a substantial investment of capital or expertise within the business.

To further it's Women's Support Initiatives & Gender Equality, P.J. Salvage will highlight key collections produced in certified women empowered factories.
