

PoleCat

A SWEDISH  BRAND

Polecat is a Swedish brand, founded in 2008, in Skellefteå, 772km north of Stockholm. We offer shoes with Scandinavian design where sustainable quality is carefully combined with practical function. With a modern sporty inspiration, we offer a large selection of shoes adapted to meet all everyday challenges. Together with the technology from GORE-TEX and our carefully designed fit our shoes gets the best possible comfort and convenience. All parts are adapted to the Scandinavian climate and to be used in all different environments.

Women

Men

Junior

The Polecat shoes have a carefully designed fit to provide best possible comfort and convenience. All parts are adapted to the Scandinavian climate and to be used in all different environments.

Sustainable quality in careful combination with practical function.

The feet are the body's shock absorbers that should carry you on all the journeys of life. All shoes in this catalog are made with GORE-TEX membrane that dissipates moisture from the foot and provides the best possible comfort.

- +** Waterproof and breathable
- +** Strong durable outsoles
- +** Scandinavian fitting
