

IBU JEWELS

Lookbook SS25

THE BRAND

All of our pieces are hand crafted in Bali by female artisans with passion for their work. Our distinctive designs combine artisanal techniques with modern design.

Each bracelet is crafted from high quality leather and complemented with plated gold, 925 Sterling silver and semi-precious gems in a variety of colours. The beads we use are of the highest quality Miyuki beads.

IBU Jewels stands for free-spirited, modern, refined urban tastes. This collection of unique and elegant bracelets is specially designed for the stylish woman with an eye for perfection.

Each piece of jewelry by Ibu Jewels is high-quality and unique, radiating understated elegance.

We are very proud and lucky that in our own workshop, we only work with talented local female artisans who have made weaving into an art form. Because of our close partnership and our dedication to craftsmanship, we ensure the highest quality in our products.

A woman with long, wavy brown hair is shown from the chest up, wearing a white, short-sleeved top. She is smiling slightly and has her right hand resting against her face. She is wearing several pieces of jewelry: a large ring with a blue stone on her right ring finger, a gold ring on her right middle finger, and a gold ring on her right index finger. On her left hand, she wears a ring with a heart-shaped pearl on her ring finger, a gold ring on her middle finger, and a gold ring on her index finger. She also wears multiple bracelets on both wrists, including a blue and gold braided bracelet, a gold chain bracelet, and a pearl bracelet. A tattoo is visible on her left forearm.
