ABOUT ULRIKA 2.0

Ulrika design turns 20 years in 2025!

We are celebrating this by
looking back at our archive and
bringing back Ulrika's favorite bags.
-Now made in recycled materials.

Ulrika 2.0 is our journey towards becoming
a more sustainable brand.

The bags in the 2.0 collections are made
with recycled body materials and lining.

Of course with the same good quality
and beautiful design as always.

Let's do 20 more years together!
