TEXSER®

A TÊXTIL DE SERZEDELO, S.A.

We weave as our ancestors did. Each thread a legacy,
each pattern a story carried from hand to hand.

TEXSER - A Têxtil de Serzedelo, S.A. - is a weaving and dyeing company founded in 1932. We specialize in 100% cotton shirting fabrics, as well as high-quality natural fibers and blends. With more than nine decades of experience, our ambition remains unchanged: to produce fabrics that meet the highest quality standards, supported by a solid commitment to our customers, suppliers, and employees. Our longevity stems from our ability to evolve with the market while consistently preserving our vocation for excellence and an impeccable level of customer service.

OUR VISION

Achieve excellence in textile manufacturing through commitment, integrity, creativity, and collaboration.

OUR MISSION

Exceed customer expectations by delivering high-quality products, strong value, and superior service in everything we do.

OUR VALUES

We act with responsibility, sustainability and transparency. We work with integrity, and each team member is accountable for their actions. We pursue efficiency and continuous improvement to ensure profitability and cost control.
We value teamwork and lasting partnerships; our partners' success is our success. We put people at the center and promote simple, innovative solutions
