

GENERELL FÄRGGKARTA

SS 2021

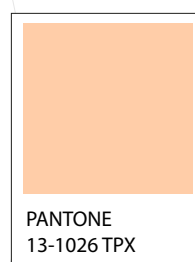

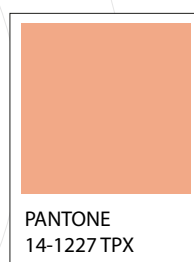

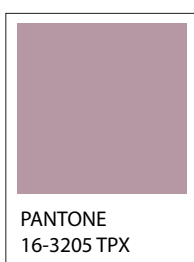

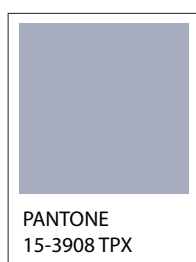

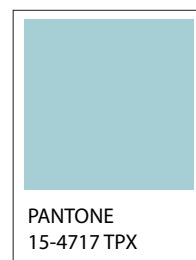

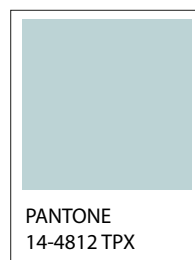

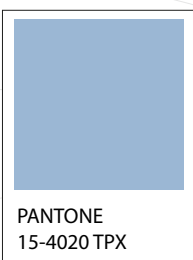

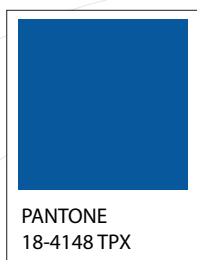

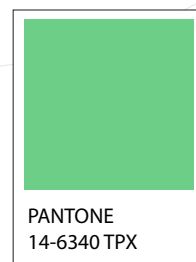

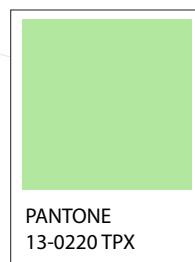

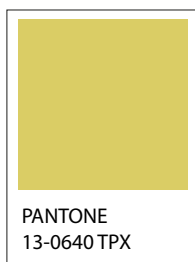

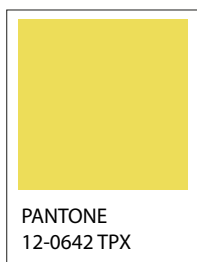

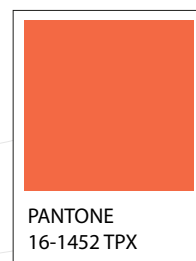

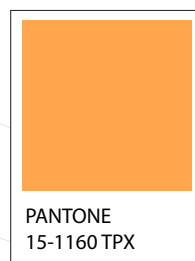

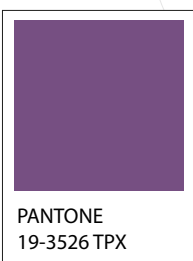

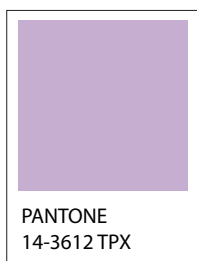

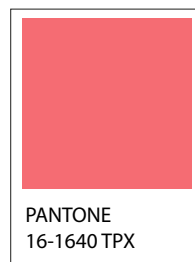

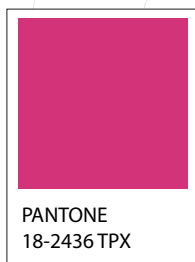

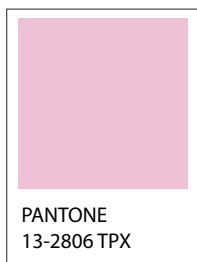

Romantic Provence - Romantiska blommor och blåvita porslinstryck. Transparenta böljande kvalitéer, broderier och skira spetsar. Dimmiga pasteller och indigo med guld som accent.

Boho Spirit - tar oss med på festival. Här finns alla färger i ett vackert spektrum. 80-talets färger som mintgrön och cerise kombineras med 70-talets hippierörelse. Denimen är också stark i denna grupp

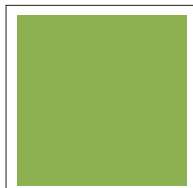

Colours of Africa - får oss att minnas filmen Mitt Afrika. Färgskalan inspireras av solnedgången över Afrikas slätter, guldgult, lejonorange och chokladbrunt i kombination med ljusblå himmel och ljusaste sandbeige. Linet, gärna naturfärgat, ligger starkt i denna grupp

Green Wave - flyttar oss ut på landet igen, där odlar vi organiskt och lever av jorden. Här dominerar den gröna färgskalan med accent av bl.a. solgult och vinrött. Workwear och denim som starka trender.
